

2019 TUMBLING EXHIBITION INFORMATION

WEDNESDAY, JUNE 5TH @ TBA

The Tumbling Exhibition offers our students an opportunity to shine in front of family and friends. They will anticipate this evening with nervous excitement as they prepare to show off the results of a year's hard work, dedication, and progress. The exhibition allows students more time on the mats than a routine on the stage permits. Tumblers are able to get through many more skills at the exhibition so we consider it more beneficial for them.

We feel strongly that our tumblers deserve a chance to demonstrate their skills in front of an audience. We believe that performance opportunities contribute to children's success in non-dance activities. The performing experience helps build self-esteem and self-confidence and can result in better in-school presentations, improved social skills, and strong interview skills for future opportunities.

The Exhibition will give each class 20 minutes of demonstration time. They will arrive 30 minutes before their exhibition to stretch and warm up skills. Each group will have set of skills that they will demonstrate together as a class, and each student will get to showcase a few of their favorite "harder" tricks with their instructor's supervision. At the conclusion of their class demonstration, tumblers will receive an award and can take pictures with their teachers and supporters.
