### **STAR Stage Makeup Instructions:**

**1-Apply a liquid base** over your entire face, making sure that you blend it into your neck.

**2-Highlight the brow bone** and the eyelid with a light eyeshadow. For the lid, use a dark shadow up to the crease. We would prefer brown or purple tones.

**3-Line the top and bottom eyelids** with a black eyeliner (liquid is easiest). Bring the lines together on the outside of the eye and take the line upwards following the line of your bottom eyelid. Apply mascara.

### **STAR Hair details:**

- Dancers Left part, slicked into a low bun
- Hairnet around bun, curly hair scrunchie fastened
- Curly hair scrunchie is available at Sallys, Rite Aid, Classy Chassie or online.

**4-Apply blush** along the cheekbones. Make it dramatic so you don't look washed out on stage.

**5-Line your top and bottom lips**, with lip liner, then fill them in with lipstick. We prefer dark red tones.
