

# LITTLE LEARNERS

Little Learners Preschool provides students with an extraordinary beginning. Little Learners ignites a child's and awakens a passion for learning in a warm and nurturing environment,. Our program is designed to help our students succeed in school and life.

## ABOUT US

Little Learners is located at Studio 56 Dance Center West Murray location.

Established in 2001, we're a great place to fall in love with learning.

## WHY CHOOSE US

**OUR UNIQUE APPROACH.** We believe that children learn best through hands on discovery and meaningful exploration. We adhere to age-appropriate practices and include the basic building blocks for success.

**OUR INNOVATIVE CURRICULUM.** We build academic, social, emotional and physical confidence through our comprehensive curriculum.

**WE INCLUDE TUMBLING AND DANCE CLASSES.** Our program is comprised of eleven areas of focus including movement and tumbling classes each week. Established in 2001, the quality of education your child receives will exceed your expectations.

**OUR GIFTED TEACHERS.** We have knowledgeable, caring teachers that are dedicated, enthusiastic, well trained and qualified by experience.

**PARENT INVOLVEMENT.** The partnership between parents and teacher is a priority, and we value that connection in our program so parents can have an active, ongoing role in their child's education.

# CLASSES AGES 3-4

## LOWERCASE | AGES 3-4

2X/WEEK 3HR/CLASS

In our three-year-old class, a lot of emphasis is placed on alphabet letters and their sounds. Alphabet letters are not taught in alphabetical order, but in order of ease of identification according to shape and sound. Basic mathematical concepts and math manipulative such as linking cubes are used. Letter writing, particularly each name writing will be practiced and small motor skill exercises will be emphasized in order to help them with cutting and handwriting. These will be done on a daily basis. Singing songs and having each child share with the class every day helps to encourage a fun learning environment and helps raise social skills and a child's ability to express themselves in a group setting.

# CLASSES AGES 4-5

## UPPERCASE | AGES 4-5

3X/WEEK 3HR/CLASS

In our four-year-old class, we concentrate on language arts including reading letter sounds, blends, digraphs, sight words and phonics. A lot of attention is placed on basic math concepts including basic addition and subtraction. Math manipulatives are used, and writing numbers and reading number sentences are areas of focus. We give out weekly readers to all the four-year-old students every Monday, and have them return them every Friday. These readers should be practiced every night with parents for a minimum of five minutes.

# WHAT WE LEARN

## THEME BASED LESSONS

Our classes have fun theme-based lessons that incorporate into everything we do at preschool. Monthly holidays and student birthdays are celebrated. Outer space, animals on the farm, insects, dinosaurs, holidays around the world, weather, the four seasons, the five senses, nutrition, emotions, the ocean are just some of the monthly fun-filled themes that our class explores.

## DISCOVERY CENTERS, MATH & ART

Children will explore materials and interact with each other to develop social skills. Centers include manipulative, block play, dramatic play, sensory, math and art.

## CIRCLE TIME, READING, WRITING, SCIENCE & STORY TIME

Class gathers for circle time that includes calendar, patriotic songs, and positive character connection songs. Children love learning with music. Memorization skills are developed. We use fun musical, phonics based methods to teach reading and writing. Story time enlarges comprehension, increases vocabulary, and improves listening and speaking skills. Science helps children understand the world around them. Weekly hands-on experiments make science exciting.

## MOVEMENT - TUMBLING (1X/WEEK)

this class is specially designed to stimulate and develop large motor skill, strength, rhythm, balance, coordination & awareness through movement.

## MOVEMENT - DANCE (1X/WEEK)

Develops beginning skills in all styles of dance while building coordination, rhythm, musicality, memory, creativity, posture, self-esteem, rhythm, emotions and social skills. Preschoolers learn to love movement by exploring through improvisations, props and stories.

Dance provides and outlet for childrens needs to move and express themselves.

# CLASS DRESS CODE

## TUMBLING DAY

Fitted tank top and shorts, or dance leotard and convertible tights, bare feet

MONDAY | TUESDAY

## MUSIC AND MOVEMENT DAY

Girls: leotard, tights, pink ballet shoes, hair pulled back. Ballet skirts are optional.

Boys: t-shirt, athletic shorts or sweats, black ballet shoes.

TUESDAY | WEDNESDAY

## FUN FRIDAY

Regular school wear is great. Something you are comfortable wearing to sit on the floor, participate in messy exploratory lessons and creative art projects.

UPPERCASE ONLY

# TUITION & FEES

## MEMBERSHIP FEE

\$90 per student 2x/week student  
\$100 per student 3x/week student

## TUITION- BASED OFF OF DAYS PER WEEK

2 Days	\$132.50/month
3 days	\$185.50/month

## PERFORMANCES

Performances are an exciting part of our program! All dancers have opportunities to perform at Christmas and in our Year-end Recital.

An important aspect of dance training includes learning through performance. Our year-end recital offers students a professionally directed performance that allows them to present the results of a year's hard work, dedication, and progress. Details will be sent home upon membership.
