CONCERT...DANCING THROUGH THE DECADES

We are excited about our upcoming show!

Consent Form: We are working hard on preparing for the BIG show. We still have a handful of students with the "unknown" performing status. If you have not turned in your Concert Consent form please get that to us TODAY!! We are starting to order costumes and need our final numbers.

Concert Information: As the season progresses additional concert information or updates will be posted on our [concert page](#) in the [portal](#) our website, in monthly newsletters and on the school bulletin board. Make it your responsibility to keep informed of this important information. Our goal is to make the concert an organized, exciting experience for everyone involved. The success of the show is a team effort of students, their parents, the teachers, and the director.

Home Study: Now that our enrollment has closed it's time to start concert routines. Please encourage good attendance and practice at home.

To ensure that the students feel confident about their performance, we ask parents and guardians to encourage them to rehearse their concert choreography regularly. Choreography and music can be found on the [concert page](#), by selecting [Practice Videos](#) in the menu dropdown.

CONCERT COSTUMES: Costume measuring has begun, we have been measuring during scheduled class times. All children will be measured to determine their proper costume size(s).

PAYMENT FOR THE PERFORMANCE PACKAGE: Costume manufacturers do not accept cancellations or offer refunds, therefore the school does not refund costume deposits.
