

RED CARPET RECITAL DETAILS

We are so excited for next week's Red Carpet Recital Experiences where every dancer gets to be the star of their own show!

JUNE 17-20 @ Studio 56 Dance Center: 170 W Winchester St.

Not sure what time you signed up for? Find your name [HERE](#), then select your teacher's name to view the sign up. Please be on time, we're on a tight schedule!

ADMISSION: No charge, each performer can have up to 5 VIP guests. We will be accepting at-will donations for our "Chance to Dance" scholarship fund. Contributions are not required, but are greatly appreciated and will help to provide lessons for kids that wouldn't otherwise have the opportunity to dance.

WHAT TO EXPECT:

- Performers will be dropped off at the west door where a cast member will be outside to enthusiastically greet your red carpet star!
- After dancer drop off, VIP guests will park and observe social distancing with other groups while waiting outside until our greeter calls your group in for your Star's showtime. **IMPORTANT:** Due to limited parking, please meet your VIP guests offsite and arrive together if possible.
- During the Red Carpet Experience, we're unable to provide access to the lobby, locker rooms, changing rooms, etc.
- Please refrain from bringing in food or drinks for this short and memorable event!
- Dancer will participate in five stations:
 - Station 1: Red Carpet Arrival
 - Station 2: Photo Experience with Toni J Photography. Each performer will be given an individual photo digital download included in this year's performance package!
 - Station 3: Practice with teacher to review their dance for the big performance.
 - Station 4: The Stage Experience- Performers will step onto the stage for a once in a lifetime recital experience with their VIP audience cheering them on. Their teacher will be there with them to support them every step of the way. Guests can take as many pictures and videos of their big performance as they'd like!
 - Station 5: Celebration Experience - Following the stage performance, your child's teacher will escort your small group to the celebration area where performers will receive their commemorative COVID goodie bag, complete with a congratulatory rose and confetti!
- After the celebration continue celebrating by going to get ice cream or whatever you dream up on this special day. As you exit, please keep the traffic moving for best flow and to maintain social distancing as others are arriving behind you.

SCHOOL AGED DANCERS- HAIR AND MAKEUP DETAILS:

Stage Makeup for School Aged Girls:

1-Apply a liquid base over your entire face, making sure that you blend it into your neck.

2-Highlight the brow bone and the eyelid with a light eyeshadow. For the lid, use a dark shadow all the way up to the crease. We would prefer brown or purple tones.

3-Line the top and bottom eyelids with a black eyeliner (liquid is easiest). Bring the lines together on the outside of the eye and take the line upwards following the line of your bottom eyelid. Apply mascara.

4-Apply blush along the cheekbones. Make it dramatic so you don't look washed out on stage.

5-Line your top and bottom lips, with lipliner, then fill them in with lipstick. We prefer dark red tones.

School aged hair instructions: Left part, low bun OR ponytail, slicked straight back.

1. Start with wet hair. It makes it easier to get a clean, crisp look
2. Part hair on left, add gel and comb into a low ponytail straight back from the ears. Make sure there are no loose hairs or bumps!
3. Using bobby pins, twist ponytail and wrap hair around elastic into a bun, pinning as you go.
4. Use a hair net the same color as dancer's hair and secure over the bun. Secure with more bobby pins.
5. Use lots of hairspray/gel so there are no flyaways.
6. If your costume has a hairpiece, secure hairpiece as instructed.
