

CHOREOGRAPHY BOOT CAMP: August 10-13th

We were so impressed with all of our dancers at intensive last week! Everyone was working so hard and we loved watching new friendships begin to form!

We can't wait to see everyone back in the studio for Choreography Boot Camp August 10-13. We appreciate your patience as we have been finalizing the Boot Camp schedule with choreographers over the last couple of weeks. We are happy to say, we have a finalized schedule! Attendance to boot camp is **very important!** We will be learning loads and loads of choreography and missing these rehearsals will put your dancer very behind.

Please come with hair pulled back into a tight pony or bun, and wear **black, fitted dancewear**. If there are any conflicts with these rehearsals, we need to know NOW. We have done our best to arrange choreography times around dancer conflicts we were made aware of, but we also had to accommodate the choreographers and their busy schedules. If there is a scheduling conflict and a student is absent, they will be paired up with another dancer and required to arrange practice time with their partner. We will also be filming all routines and uploading practice videos shortly after Boot Camp. It is the dancer's responsibility to get caught up before classes begin on August 31st, so team progress is not delayed.

What to bring: Water bottle and appropriate shoes for the choreography you are learning.

- Tennis shoes for Hip Hop
- Jazz Shoes for Jazz and musical theatre
- Lyrical shoe for Lyrical, except for Petite will be barefoot
- Bare feet for Contemporary
