

## **MEMBERSHIP PACKET**

Please take a second and login into the parent portal and [ACCEPT THE ONLINE WAIVER](#). If you've never logged in to the parent portal before, use this email address and select "forgot my password" to set up your account. When you log in for the first time this season, it will ask you to accept the waiver. If it takes you straight into your upcoming classes you've already accepted and are good to go!

All students with missing waivers will be asked to observe class. This is a huge liability for the studio and we need all forms updated in order to have your student participate. Thanks for your help!!

## **HEALTH AND WELLNESS**

We appreciate your continued support with symptom and temperature checking your child before they attend a day at the studio. If at any time you need to move to a temporary virtual platform, we are here to support you. Please contact the office and we will get you set up. We are here every step of the way!

## **TUMBLING EXHIBITION AND YEAR-END CONCERT THIS JUNE**

We are making plans for our June Concert! Our June Concert offers ALL of our students a professionally directed performance that allows them to present to their families and friends the results of a year's hard work, dedication, and progress. Students perform in each of the styles of dance they train in. [CLICK HERE](#) to register to participate

### **Tumbling Exhibition: Wednesday, June 9, 2021**

Dancers enrolled in a tumbling/acrobatics class can add-on the tumbling exhibition as part of our year end recital! The Exhibition will give each class 20 minutes of demonstration time. Tumblers will arrive at the studio 30 minutes before their exhibition to stretch and warm up skills. Each group will have a set of skills that they will demonstrate together as a class, and then each student will get to showcase a few of their favorite "harder" tricks with their instructor's supervision. At the conclusion of their class demonstration, tumblers will receive an award and can take pictures with their teachers and supporters.

We feel strongly that our tumblers deserve a chance to demonstrate their skills in front of an audience. We believe that performance opportunities contribute to children's success in non-dance activities.

### **Concert: Saturday, June 19, 2021**

- This performance will be on the stage! Performance times for classes will be announced in March.
- Tickets can be pre-purchased for June Recital beginning at 8:00am on May 1st.
- Other Important Performance Dates: June 18th Dress Rehearsal, TBA Picture Day
