

SOLO/DUO/TRIO GROUP REHEARSALS

This year, small group rehearsals will take place every other week with some months giving a week of 1:1 availability. There will be times there is a large group rehearsal to make sure everyone gets a rehearsal in the week of a competition. If you know you are going to miss one of your days, you need to trade with someone in another group through Team Snap!

Group rehearsals will begin **November 1st** and will end April 30th. Please see below for your specialty group details. This schedule has also been loaded to your "My Classes" in the parent portal. Rehearsal fees are \$12.50 for a small group lesson or \$6.25 for a large group lesson. If a lesson is cancelled unexpectedly, you will be credited the amount paid.

Outside of your group rehearsal you can schedule additional 1 on 1 rehearsals at \$30 for 30 minutes. These can be scheduled at <https://studio56dance.com/specialtyroutines/> We have a few set 1:1 rehearsal weeks, Nov 9-13th, 24th, Dec 14-18th, April 19-23rd. In addition to these set weeks, our teachers have added additional days to their calendars. Each specialty routine has one more 1:1 left in their package. These will take place the week of Mar 15-19th after the 1st competition. We will send out a sign up in January for that week.

Please remember that a specialty is an additional commitment above and beyond your team class schedule. Team routines come before specialty routines. Being part of a team takes dedication and is an honor and privilege. If you are struggling in a team routine, we will suggest that you wait to work on your solo until you can catch yourself up in class. We encourage you to practice all your routines weekly (or more) on your own.
