

## 2020-2021 Dance Sister Assignments!

We are so excited for what we have in store for our Dance Sister this year! Your sister is usually on a different team than you are. We do this to create more friendship and unity as a studio. Older dancers should keep an eye out for their younger dance sister and make them feel important and special.

You can do nice things for your dance sister all year, but you are also in charge of giving your sister a formal "good luck" at the following 3 events:

1. Competition Kickoff Party (Theme: SOCK EXCHANGE)
2. Co. Showcase

Be creative! "Good lucks" should not be extravagant or expensive. (There is a \$10 limit to each gift!) Some good examples: lip gloss with a note that says, "Smile big onstage! Good Luck!" Or a cute pair of socks, "Knock their socks off out there!" Hang onto your dance sister's "All About Me" questionnaire that you got at WDC so your gifts can be more meaningful!
