

### COVID UPDATE: MASK POLICY

In light of the new CDC guidance, and mask requirements slowly lifting in our community on a local level, **wearing face masks will no longer be a requirement beginning on June 1st.**

This announcement does not give us cause to be less vigilant in our safety procedures: proper hand washing and hygiene protocols, staying home when sick, cleaning and disinfecting, and maintaining physical distancing where possible. Masks are still encouraged for anyone who wishes to wear one due to health concerns. We ask that everyone be respectful of the choices each family makes regarding masks. Our studio will be a place for everyone to feel comfortable no matter whether they wear a mask or not.

We'll continue to monitor our mask and COVID safety practices for the summer and fall of 2021, and as always families will be informed of any changes.

Thank you for your continued support, and for helping us fulfill our promise to make this season as safe as it is fun for our students and their families!
