

CHOREOGRAPHY BOOT CAMP

Collective: July 27-31 & Aug 9-14 | Performing Company: Aug 9-14

We were so impressed with all of our dancers at intensive this past week! Everyone was working so hard, and we loved watching new friendships begin to form!

We appreciate your patience as we have been finalizing the Boot Camp schedule with choreographers. We are happy to say, we have a finalized schedule!

All Boot Camp rehearsals have been added into your Parent Portal. Please help us check for conflicts by checking the schedule below AND your parent portal. We've double and triple checked the schedule and are hoping we haven't missed anything!

Attendance to boot camp is **very important!** We will be learning loads and loads of choreography and missing these rehearsals will put your dancer very behind. Please come with hair pulled back into a **tight pony or bun, and wear black, fitted dancewear**. If there are any conflicts with these rehearsals, we need to know NOW. We have done our best to arrange choreography times around dancer conflicts we were made aware of, but we also had to accommodate the choreographers and their busy schedules. If there is a scheduling conflict and a student is absent, they will be paired up with another dancer and required to arrange practice time with their partner. We will be filming all routines and uploading practice videos to the Company Dropbox folder after Boot Camp. (This can be accessed from the company portal page.) It is the dancer's responsibility to get caught up before classes begin on August 30th so team progress is not delayed.

You can view the Boot Camp Schedule in the Company Portal [HERE](#). The password to the page is GOODVIBES
