SPOTLIGHT PACKET!

All students will get to be the spotlight in their class near their birthday (or half-birthday for summer birthdays). Parents are encouraged to come to the first 10 minutes of class to help their child during their spotlight.   You can bring in a favorite book, pictures of special events from their life, treats or trinkets for the class, or whatever else you can think of to make their day special.

This packet can be used to create a poster (if you choose to make one) for your child's special day. Feel free to print any or all of the pages and use them however you want!

We want our spotlight student for the day to feel extra special and important on their turn. Anything brought in for spotlight will go home with parents that day.

Refer to the class calendar online to see when your child's class has spotlight. We appreciate your help in making the day exciting for you child!
