

# SOLO/DUO/TRIO GROUP REHEARSALS

This year, small group rehearsals will take place every other week with the option to schedule a 1:1 as well. There will be times where there is a large group rehearsal to make sure everyone gets a rehearsal in the week of a competition. If you know you are going to miss one of your days, you need to trade with someone in another group through TeamSnap! Each group has a counterpart, see below what group would be best to trade with)

Group rehearsals will **begin November 1 and will end April 30**. Please see below for your specialty group details. This schedule has also been loaded to your "My Classes" in the [parent portal](#). This document can also be found in the Solo/Duo/Trio Hub in the Performing Company Portal. Rehearsal fees are \$15 for a small group lesson or \$7.50 for a large group lesson. If a lesson is cancelled unexpectedly, you will be credited the amount paid.

Outside of your group rehearsal you can schedule additional 1:1 rehearsals at \$30 for 30 minutes. These can be scheduled at <https://studio56dance.com/specialtyroutines/>

Group rehearsal is not time for learning or cleaning, it's a time for perfecting, building stamina, applying corrections and practicing showmanship. If a teacher feels that a student needs a 1:1 lesson they will let the Specialty Routine Coordinator know. The Coordinator will contact you and a 1:1 will need to be booked before their next group rehearsal. Reasons we would request a 1:1 would be for not remembering choreo, not applying corrections, or not being able to work independently during a group rehearsal.

Please remember that a specialty routine is an additional commitment above and beyond your team class schedule. Team routines come before specialty routines. Being part of a team takes dedication and is an honor and privilege. If you are struggling in a team routine, we will suggest that you wait to work on your solo until you can catch yourself up in class. We encourage you to practice all your routines weekly (or more) on your own.

## **Group 1 – Tuesday, 3:30-4:00 @ East (counterpart group 5)**
