

# PARENT PROGRAM | DECEMBER 6-17th, 2021

We are very excited for you to join us for our Holiday In-Class Parent Programs! Your dancer will join us for their regular class time, and you will join us for the parent portion only.

To help avoid congestion in the parking lot and the lobby, drop your student off for their class, and return promptly 2 minutes before your program time noted below.

The Parent Program is an amazing opportunity for you to see what your students are learning and how well they are progressing. Please review these important guidelines before attending:

- Each student is allowed to have only 1 or 2 adults attend their program.
- Please lower voice volume in all waiting areas and studios.
- Seating space is extremely limited, come prepared to sit on the floor or stand.
- Please refrain from distractions that will disrupt learning.
- Please turn off all electronic devices before entering our studios. Be present!
- We expect all observers to treat the classes like a performance, recording or photography is strictly prohibited. Teachers will announce when it is acceptable to film the routine at the end and then we'll take a class picture.
- Please do not bring infants or other children into class.

Hope you all have a wonderful holiday season!
