Dear Business Owner,

We would like to invite you to sponsor a dancer in our 2022 Dance Concert, "Extra Extra, Dance All About It". Performing in front of an audience is an important part of developing dance skills, building confidence and strengthening performance skills. We are proud that we have so much talent to showcase to our community. We feel that our dance concert is one of the most important events of the year for our students to showcase their talents.

Studio 56 Dance Center has been a leading dance studio in the Murray area for the past 21 years, teaching generation after generation of dancers. We are currently preparing for our year-end show where there will be over 1200 people who come to enjoy our concert, as well as our dancing cast of over 350 students. We are offering advertising space in our program, website and tickets which will go directly towards performance fees for dancers and will also provide funding for production costs to help keep our performances affordable for all families.

We have various advertising space available. In addition to your ad in our program, we will also announce all our sponsors at both of our performances. We appreciate the opportunity to have you review this proposal for our event. We would honor the chance to involve you. Together we can make a difference in someone else's life! Please feel free to contact us with any questions!

Sincerely,

Amy Moore
