Makeup & Hair
Tutorials

BOYS Hair and Makeup details:

Hair: Styled with gel and hair spray any way

Make-up: Dust face with matching powder to prevent shine, apply blush along the cheekbones (no dramatic, just for color), apply chapstick to lips

SCHOOL-AGED GIRLS - Hair details:

- Left part, low bun secured with gel/hairspray, hairnet around bun and bobby pins. Tutorial <https://vimeo.com/173698353>

SCHOOL-AGED GIRLS – Makeup Instructions:

1. Apply a liquid base over your entire face, making sure that you blend it into your neck.
2. Highlight the brow bone and the eyelid with a light eyeshadow. For the lid, use a dark shadow all the way up to the crease. We would prefer brown or purple tones.
3. Line the top and bottom eyelids with a black eyeliner (liquid is easiest). Bring the lines together on the outside of the eye and take the line upwards following the line of your bottom eyelid. Apply mascara.
4. Apply blush along the cheekbones. Make it dramatic so you don't look washed out on stage.
5. Line your top and bottom lips, with lipliner, then fill them in with lipstick. We prefer dark red tones.

PRESCHOOL GIRLS- Hair details:

- Super Curly using curl formers
- Bang portion in a pony and flipped through (topsy tail NO bangs)
