# LITTLE LEARNERS PRESCHOOL

## 2024 Preschool Graduation!

Hello Parents of our future kindergarteners!

We're preparing for our graduation for all students moving on to kindergarten this fall! It will be a chance for us to highlight our students and show some of the things we have learned this year. We are so excited to celebrate our graduates!

This year's graduation will take place at Studio 56 Dance Center. **Please keep your invite list to close family around 4-5 people.**

Let us know if we have mistakenly left your child off this list, added a child that isn't starting kindergarten, or spelled a name wrong. We don't want anyone to be forgotten! Email us if you happen to see an error. [info@littlelearnersutah.com](mailto:info@littlelearnersutah.com)

### Student Assignments and Songs:

Each child has an assigned part for graduation, we have included those parts below. Please help them learn their part so they can say it independently! We also have several songs in which we have been practicing in class. [CLICK HERE](#) for a video of our graduation songs, this way they can sing along at home in preparation of their special day.

### Graduation Committee:

Parents that signed up to help at graduation have been contacted with their assignment. If you would like to be added to our committee, please email us! [info@littlelearnersutah.com](mailto:info@littlelearnersutah.com)
