

DRESS CODE

THE IMPORTANCE OF A DRESS CODE

Dress code is an important part of formal dance training. A dress code creates uniformity, minimizes distractions, helps dancers mentally prepare for class, and allows the teacher to see how well students are implementing technique and give placement corrections. Students are expected to be in dress code for every class. Hair and shoes are part of the dress code.

Dancers who are not in dress code will receive a reminder note to take home. Dancers are not in trouble if they receive a note! The reminder note is the easiest way for teachers to communicate with parents quickly and easily on dress code matters.

We understand that occasionally a dancer may be out of dress code due to unforeseen circumstances, and we encourage them to attend class anyway.

- Students should carry their dancewear, shoes, and other belongings in a dance bag. Please print your child's name on the bag, as well as on all of its contents
- Dancewear is to be kept in good repair and laundered on a regular basis
- Watches, jewelry (except for post earrings), and safety pins should not be worn to class
- Dance shoes should never be worn outside
- Female students should wear their hair tightly secured and styled away from the face; a neat bun is required for STARS and all ballet classes
- Students are expected to observe good personal hygiene habits
- Deodorant is required for students age 10 and older
- Students are expected to remove jewelry before entering the classroom, this includes necklaces, bracelets, watches (including Gabwatches), and dangling earrings (studs are ok).
